OUR MUST-HAVE, MUST-SEE, MUST-DO LIST

1 have a good time

Sharpen your kid's time-telling skills with Janod's Owly Clock. One side features peg numbers and movable hands. On the other is a chalkboard so kids can draw the hands themselves. Ages 3 to 7, \$40; giggle.com

clock in with this wise guy

Adorable and durable bucket bibs from Modern-Twist feel silky, not stiff, because they're made of food-grade silicone. They easily wipe clean (less laundry!) and roll up for a trip to Grandma's. \$20; modern-twist.com

3 enjoy dino drama at the movies

Walking With Dinosaurs shows ancient beasts in all their stomping, growling glory. A pachyrhinosaurus named Patchi grows up to lead his herd in this tale told in stunningly realistic 3-D animation. Not yet rated; opens December 20
